Ninja Stars offers our youngest ninjas challenging obstacles specifically designed for children ages 5 to 7. Throughout the session, our five disciplines are introduced: Vaulting, Jumping, Climbing, Swinging, and Tumbling. Ninjas will use creativity and problem-solving skills to conquer obstacle courses. Our goal is for ninjas to build a strong foundation of primary skills from each discipline to prepare them for the next level. Your child will become a ninja warrior!

NINJA WARRIORS

Ninja Warriors is a fundamentals class for ages 6 to 12. This class focuses on developing well-rounded skillsets. Ninjas will begin to build their Ninja Arsenals, which are their own ongoing lists of skills that they have personally achieved. As their Ninja Arsenals increase, they will conquer obstacles using combinations of mastered skills.

EXTREME NINJA WARRIORS

Extreme Ninja Warriors is an advanced-level class for ages 7 to 14. This class accelerates ninjas who are ready to defeat more challenging obstacles! Ninjas will add variety to their Ninja Arsenals using new styles of existing skills. Flips, jumps, and spins will be integrated into skill combinations. This will allow them to create their own obstacle courses out of their Ninja Arsenals. Ninjas will start connecting skills with mind-blowing fluidity!

NINJA WARRIOR MASTERY

Ninja Warrior Mastery is an instructor-recommended class for ages 7 to 14. Ninjas may create their own skills video portfolios throughout the session as their Arsenal Skills are gradually documented on video. They will literally watch their improvement over time!
